# MY OWN HYDRO-THERAPY – BUBBLING MY WAY TO FITNESS

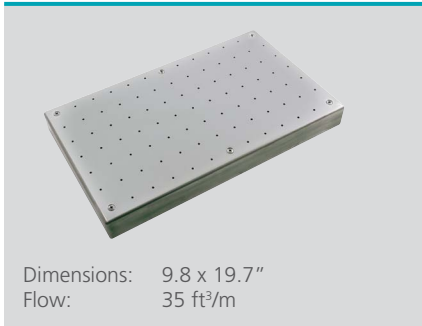

Forgetting the strains of daily stress and getting fit for a new day. An air bubble system in your own pool allows you to benefit from the pure enjoyment of a private wellness oasis. The *fluvo*® range allows you to realize individual and customized wishes. *fluvo*® multi-aperture jets and air bubble pads can be fitted in the smallest niches, steps or corner seating features.

Maybe you would just like to relax using an air pad or lounger and get a complete massage. There is no gentler and more effective way to relax and ease daily stress. And the individual designs and layouts which can be realized are limitless.

## AIR PADS & LOUNGERS

### Rio Air

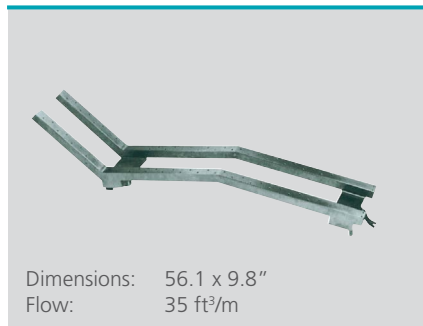

### Rio Grande Air

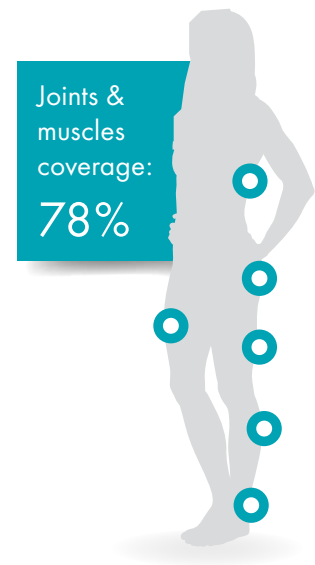

### Air lounger (single)

### Air lounger (double)

## EFFECT ON THE BODY

Sit, stand or lay down – for every pool we have individual massage solutions. Many products can be combined to create a complete massage station.
